AIR AND RADIATION

The Honorable Dean Heller
United States Senate
Washington, D.C. 20510

Dear Senator Heller:

On behalf of the U.S. Environmental Protection Agency, it is my pleasure to inform you that Regional Transportation Commission of Southern Nevada located in Las Vegas, Nevada, has been selected for a Clean Air Excellence Award for their project Club Ride Commuter Services. We received almost 50 applications, and this project was chosen by the EPA's Office of Air and Radiation for its impact, innovation and replicability.

We would like to invite you to attend the 2015 Clean Air Excellence Awards Ceremony, which will be held on the evening of Tuesday, April 21, 2015, from 5:30 pm to 7:30 pm at the Crowne Plaza Hotel in Crystal City, Virginia. Along with others, I will be presenting the awards.

The Clean Air Excellence Awards Program recognizes and honors outstanding and innovative efforts to achieve cleaner air. The program was recommended to the EPA by the Clean Air Act Advisory Committee, which advises the EPA on policy issues related to the Clean Air Act.

We hope you will be able to join us in congratulating the winners from your state for their innovative projects that are helping us to achieve cleaner air. If you have any questions, please contact me or your staff may contact Catrice Jefferson of my staff at (202) 564-1668 or jefferson.catrice@epa.gov.

I look forward to seeing you at the ceremony.

Sincerely,
